Slow-start Bulldogs tame hapless Tigers

By Zac Milbank

at NAP Oval

CENTRAL District was quick to learn the importance of discipline in its come-from-behind 86-point win against Glenelg at NAP Oval yesterday.

At quarter-time the Bulldogs trailed by four goals and were frustrated by a fired up Tigers unit desperate to score their first win at Elizabeth in 11 years.

The visitors had all the momentum as Heath Culpitt slotted through their sixth goal thanks to an indiscretion by James Gowans in the Tigers' goal square which resulted in the offender dragging himself from the field.

As he trudged along the boundary he received some wise words from chairman of selectors Daryl Hicks and this appeared to change his attitude along with the rest of his teammates.

"If it was that (incident) it needed to be that," Central coach Roy Laird said.

"We needed to settle because at quarter-time we were in a bit of strife.

"We were playing a pretty ordinary brand of footy and we were undisciplined."

Second on the ladder					134 points
Central District	2.2	8.4	14.5	21.8	
Glenelg	6.2	6.2	7.5	7.6	
Eighth on the ladder					48 points

From the bounce of the ball in the second term, the Bulldogs created an amazing transformation in ascendancy by kicking 19 goals to the Tigers' one.

"From where we were, to be able to come out with that performance for the last three quarters was a credit to the boys," Laird said.

"They were able to turn it around, they were far more focused and as a result we played better footy."

Simon Arnott and Adam Switala, the only two Central players to play four quarters of football, began to get some assistance from Daniel Healy and Marco Bello along with James and Chris Gowans.

Livewire left-footer Josh Coulter finished off their good work, booting three of his 5.1 in the second term while relishing the ball spending the majority of its time at ground level.

Debutant Eddie Sansbury (1.1) impressed in his first game by using his clean hands in the damp conditions and showing poise beyond his 19 years.

Another to celebrate a milestone was Brian Haraida who was typically miserly in his 250th game and even tried to sneak a rare goal in the final term when he crept into his team's attacking zone.

After winning the toss to start the day, his afternoon was topped off when his teammates chaired him from the field as he received a deserving ovation from the home crowd.

Glenelg coach David Noble said Central gave his team a footy lesson.

"Good sides are able to stick to their processes and that's what they're (Central) good at," he said.

"They just don't allow you to get them off guard and it was very disappointing to perform well for a quarter and then have very little impact on the game after that."
